

OCP&R - Oakland Community Preparedness and Response

NATIONAL NIGHT OUT MATERIALS

Oakland Firesafe Council (OFSC)

www.oaklandfiresafecouncil.org

OFSC is a grassroots, community-based non-profit dedicated to mobilizing the people of Oakland (and beyond) to reduce the risks of wildfire danger to people and property through outreach, programs, and projects.

Oakland Community Preparedness & Response (OCP&R)

www.oaklandcpandr.org

OCP&R is a program of the OFSC which provides awareness, resources, and support to help increase community preparedness levels and to improve response capabilities for disasters such as wildfire and earthquake.

GMRS Emergency Network - Oakland (GENOAK)

www.genoak.org

GENOAK is a neighborhood-to-neighborhood emergency 2-way radio network that will enable communications between neighborhood/CERT groups after a disaster when cellular/landline phones may not be working.

Zonehaven

community.zonehaven.com

Zonehaven is a commercial software application designed to help manage emergency evacuations and to better inform the community when and how to evacuate.

Firewise USA®

www.nfpa.com

The National Fire Protection Association's Firewise USA® program teaches how to adapt to living with wildfire. Learn how your neighborhood can implement Firewise USA® and work together to make your community more firesafe.

Listos California

www.listoscalifornia.org/resources/

100+ disaster preparedness resources in more than 20 languages.
